INDEPENDENT AUDITOR’S REPORT

To the Board of Directors
The Mayor’s Fund For Los Angeles

Opinion
We have audited the financial statements of The Mayor’s Fund For Los Angeles, which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of The Mayor’s Fund For Los Angeles as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion
We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Mayor’s Fund For Los Angeles and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Mayor’s Fund For Los Angeles’ ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor’s Responsibilities for the Audit of the Financial Statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.
In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Mayor’s Fund For Los Angeles’ internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Mayor’s Fund For Los Angeles’ ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Report on Summarized Comparative Information**

We have previously audited The Mayor’s Fund For Los Angeles’ June 30, 2021 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated December 9, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2021 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Green Hasson & Janks LLP

The Accompanying Notes are an Integral Part of These Financial Statements
NOTE 1 - ORGANIZATION

The Mayor's Fund For Los Angeles (the Mayor's Fund) is dedicated to improving the lives of Los Angeles residents through public-private partnerships that yield innovative, transformative, and impact-driven solutions to the City's most pressing challenges. The Mayor's Fund was granted its independent nonprofit status by the IRS under the 501(c)(3) public benefit designation on October 27, 2014.

The Mayor's Fund works throughout Los Angeles, enhancing economic prosperity, government efficiency, community resiliency, and overall quality of life for residents. Its programs address both current and future needs in partnership with the City, insisting on rigorous standards with measurable impact.

As mayoral administrations change over time, the Mayor's Fund will maintain its independence and non-partisan nature, focusing on the long-term vitality, resilience, and success of the City and its residents.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) BASIS OF PRESENTATION

The accompanying financial statements have been prepared on the accrual basis of accounting.

(b) NET ASSETS

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

- **Net Assets Without Donor Restrictions.** Net assets available for use in general operations and not subject to donor-imposed restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve.

- **Net Assets With Donor Restrictions.** Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.
NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(c) CASH AND CASH EQUIVALENTS AND CONCENTRATION OF CREDIT RISK

Cash and cash equivalents are short-term, highly liquid investments with maturities of three months or less at the time of purchase. The carrying value of cash and cash equivalents at June 30, 2022 approximates its fair value.

The Mayor’s Fund maintains its cash and cash equivalents in bank deposit accounts and other investment accounts, which, at times, may exceed federally insured limits. The Mayor’s Fund has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

(d) INVESTMENTS

Investments in equity and debt securities with readily determinable market values are reported at fair value. Securities are generally held in custodial investment accounts administered by financial institutions. Investment purchases and sales are accounted for on a trade-date basis. Interest income is recorded as earned on an accrual basis, and dividend income is recorded based upon the ex-dividend date. Realized gains and losses are calculated based upon the underlying cost of the securities traded. Unrealized gains and losses are included in investment return in the statement of activities and represent the change in the difference between the cost and fair value of investments held at the end of the fiscal year.

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility.

(e) CONTRIBUTIONS AND PLEDGES RECEIVABLE

Contributions, including endowment gifts and pledges, as well as unconditional promises to give, are recognized as revenue in the period promised. Conditional promises to give - that is, those with a measurable performance or other barrier and a right of return - are not included as revenue until the conditions on which they depend have been met. Discounts for pledges (pledges due over one year) are recorded as reductions to contribution revenue and pledges receivable. Present value discounts are amortized to contribution revenue as pledge payments are received. There were no conditional promises to give at June 30, 2022.

At June 30, 2022, the Mayor’s Fund evaluated the collectability of pledges receivable and no allowance for uncollectible pledges was considered necessary.

(f) PROGRAM COSTS

Program costs in the statement of functional expenses include contributions and grants approved by the Mayor’s Fund’s Board of Directors.
NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(g) PROPERTY AND EQUIPMENT

Property and equipment are recorded at cost if purchased or at fair value at the date of donation if donated. Depreciation is computed on the straight-line basis over the estimated useful lives of the related assets, generally three to five years for office equipment and software. Property and equipment are capitalized if the cost of an asset is greater than or equal to $5,000 and the useful life is greater than one year.

(h) LONG-LIVED ASSETS

The Mayor’s Fund reviews long-lived assets for impairment whenever events or changes in circumstances indicate that the book value of the assets may not be recoverable. An impairment loss is recognized when the sum of the undiscounted future cash flows is less than the carrying amount of the asset, in which case a write-down is recorded to reduce the related asset to its estimated fair value. No impairment losses were recognized on long-lived assets during the year ended June 30, 2022.

(i) IN-KIND CONTRIBUTIONS

Contributions of donated non-cash assets are recorded at fair value in the period received. Contributions of donated services are recognized if the services received (a) create or enhance long-lived assets, or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. For the year ended June 30, 2022, in-kind contributions totaling $36,000 were received, consisting of office and storage space, valued using a price per square foot determined with reference to commercial rental property in the neighboring area.

(j) INCOME TAXES

The Mayor’s Fund is exempt from federal taxation under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d.

In accordance with the Financial Accounting Standards Board’s (FASB’s) Accounting Standards Codification Topic No. 740, Uncertainty in Income Taxes, the Mayor’s Fund recognizes the impact of tax positions in the financial statements if that position is more likely than not to be sustained on audit, based on the technical merits of the position. During the year ended June 30, 2022, the Mayor’s Fund performed an evaluation of uncertain tax positions and did not note any matters that would require recognition in the financial statements or which might have an effect on its tax-exempt status.
NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(k) FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing the Mayor’s Fund’s programs and other activities have been presented in the statement of functional expenses. During the year, such costs are accumulated into separate groupings as either direct or indirect. Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit. The Mayor’s Fund uses salary dollars to allocate indirect costs.

(l) USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

(m) COMPARATIVE TOTALS

The financial statements include certain prior-year summarized comparative information. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Mayor’s Fund’s financial statements for the year ended June 30, 2021, from which the summarized information was derived.

(n) RECLASSIFICATIONS

For comparability, certain June 30, 2021 amounts have been reclassified, where appropriate, to conform to the financial statement presentation used at June 30, 2022.

(o) NEW ACCOUNTING PRONOUNCEMENTS

In September 2020, FASB issued Accounting Standards Update (ASU) No. 2020-07, Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets. The ASU is intended to improve transparency in the reporting of contributed nonfinancial assets (also known as gifts-in-kind) received by not-for-profit organizations, including transparency on how those assets are used and how they are valued. The Mayor’s Fund implemented the ASU during the year ended June 30, 2022.

(p) SUBSEQUENT EVENTS

The Mayor’s Fund evaluated events and transactions occurring subsequent to the statement of financial position date of June 30, 2022, for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through October 25, 2022, the date these financial statements were available to be issued. No such material events or transactions were noted to have occurred.
NOTE 3 - INVESTMENTS AND FAIR VALUE MEASUREMENTS

The Mayor’s Fund has implemented the accounting standard for those assets that are re-measured and reported at fair value at each reporting period. This standard establishes a single authoritative definition of fair value, sets out a framework for measuring fair value based on inputs used, and requires additional disclosures about fair value measurements. The standard applies to fair value measurements already required or permitted by existing standards.

In general, fair values determined by Level 1 inputs utilize quoted prices (unadjusted) in active markets for identical assets. Fair values determined by Level 2 inputs utilize data points that are observable such as quoted prices, interest rates and yield curves. Fair values determined by Level 3 inputs are unobservable data points for the asset and include situations where there is little, if any, market activity for the asset.

The following table presents information about the Mayor’s Fund’s assets that are measured at fair value on a recurring basis at June 30, 2022, and indicates the fair value hierarchy of the valuation techniques utilized to determine such fair value:

<table>
<thead>
<tr>
<th>Fair Value Measurements Using</th>
<th>Quoted Prices in Active Markets for Identical Assets (Level 1)</th>
<th>Significant Other Observable Inputs (Level 2)</th>
<th>Significant Unobservable Inputs (Level 3)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Year Ended June 30, 2022</td>

<td><strong>$ 4,676,715</strong></td>
<td><strong>$ 1,081,863</strong></td>
<td><strong>$ 3,594,852</strong></td>
</tr>
</tbody>
</table>

The fair values of investments within Level 1 were obtained based on quoted market prices at the closing of the last business day of the fiscal year. These investments can be redeemed daily.

The fair values of investments within Level 2 were obtained based on data points that are observable, such as quoted prices in active markets, interest rates and yield curves.
NOTE 4 - PLEDGES RECEIVABLE

At June 30, 2022, pledges receivable are due to be received as follows:

<table>
<thead>
<tr>
<th>Period</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Within One Year</td>
<td>$1,155,000</td>

Less: Accumulated Depreciation (76,070)

**TOTAL PROPERTY AND EQUIPMENT (NET)** $41,507

Depreciation expense for the year ended June 30, 2022 was $22,730.

NOTE 6 - EMPLOYEE BENEFIT PLAN

The Mayor’s Fund sponsors an Internal Revenue Code Section 403(b) qualified defined contribution retirement plan covering all of its employees, subject to eligibility requirements. The Mayor’s Fund contributes up to a 5% match for employees contributing to the plan, in accordance with plan provisions. Employer contributions under this plan for the year ended June 30, 2022 were $39,274.
NOTE 7 - NET ASSETS WITHOUT DONOR RESTRICTIONS

Net assets without donor restrictions consist of undesignated and Board designated amounts as follows at June 30, 2022:

<table>
<thead>
<tr>
<th>Undesignated</th>
<th>$ 803,433</th>
</tr>
</thead>
<tbody>
<tr>
<td>Board Designated Operating Reserve</td>
<td>500,000</td>
</tr>
</tbody>
</table>

**TOTAL NET ASSETS WITHOUT DONOR RESTRICTIONS**

$ 1,303,433

<td>79,671</td>
</tr>
<tr>
<td>Pledges Receivable Restricted by Time</td>
<td>828,001</td>
</tr>
</tbody>
</table>

**TOTAL NET ASSETS RELEASED FROM DONOR RESTRICTIONS**

$ 9,405,250
NOTE 9 - LIQUIDITY AND AVAILABILITY OF FINANCIAL RESOURCES

The total financial assets held by the Mayor’s Fund at June 30, 2022 and the amounts of those financial assets that could be made available for general expenditures within one year of the date of the statement of financial position are summarized in the following table:

Financial Assets at June 30, 2022:
- Cash and Cash Equivalents: $5,692,117
- Investments: 4,676,715
- Pledges Receivable (Net): 1,611,556

**TOTAL FINANCIAL ASSETS AT JUNE 30, 2022**
11,980,388

Less Amounts Not Available to Be Used within One Year, Due to:
- Board Designations: (500,000)
- Donor-Imposed Restrictions:
  - Funds Held with Purpose Restrictions: (7,520,724)
  - Pledges Receivable Restricted by Purpose and Time: (1,611,556)

**FINANCIAL ASSETS AVAILABLE TO MEET GENERAL EXPENDITURES WITHIN ONE YEAR**
$2,348,108

The Mayor’s Fund regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. As part of the Mayor’s Fund’s liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

The Mayor’s Fund has various sources of liquidity at its disposal, including cash and cash equivalents and marketable debt and equity securities. In addition, it has a Board designated operating reserve of $500,000 that could be drawn upon for emergency liquidity needs.
